Work Experience

CUSTOMER ACCOUNT SERVICES /SHIPPING CLERK

CASS PRECISION MACHINING - Brooklyn Center, MN

December 2018 to Present

Keep inventory of customer parts and also create documents for shipping through companies ERP system, as well as communicate with the customers.

Shipping Coordinator

Omega Protein Inc - Moss Point, MS

June 2012 to November 2018

Entered all data in the system for all product's that was shipped out of the facility. Generated BOL'S for all drivers that came to pick up the product that was offered as well as created weekly reports for management of tonnage that was shipped out of the plant. The product that was offered was; crude oil, fish soluble and also fish meal. All product was shipped by; railcar, barge, hopper bottom and liquid tankers. Which I generated documentation on a daily basis for the carriers.

I have over 6 years of experience in the Logistic field. I also, worked as a tool room attendant at this facility on the weekends for extra overtime.
