Cell: 734-444-7457 : roybonello@hotmail.com

I have over 25 years of experience in the material control and the construction trades. I consider myself a very hard worker, responsible and one who takes pride and enjoys his work. I am very good at following instructions and always keeps quality of work a priority. I work well with others and enjoy exchanging and sharing the tricks of the trade.

Highlights

- Fork lift operation

Work Experience

Material Control

January 2010 to December 2012 and from January 2013 – December 2013

Human Resources Unlimited (AM General) – Lansing MI, Michigan

Transported goods from racks, shelves and vehicles. Operated AP shipping system efficiently and accurately. Managed stock inventory. Handed out stock to techs. Installed protective bracing, padding and strapping to prevent shifting and damage to items during transport. Operated powered lift trucks and forklifts safely, with a 0% incident rate.

Material Control / Shipping & Receiving

February 2012 – January 2013

Phoenix Services (EES Coke) – Ann Arbor, Michigan

Maintained accurate stock records and schedules. Unloaded, picked, staged and loaded products for shipping. Operated AP and Maximo shipping system efficiently and accurately. Oversaw warehousing and storage practices and housekeeping. Transported goods from racks, shelves and vehicles. Operated powered lift trucks, floor sweepers, pallet jacks and forklifts safely, with a 0% incident rate.

Carpenter, Truck Driver and Shipping

April 2007 to June 2011

Horizon Millworks – Wayne, Michigan

Constructed custom cabinets, desks, shelving units and counter tops. Safely used band, circular, jig, reciprocating, chop and compound miter saws. Oversaw warehousing and storage practices and housekeeping. Received incoming shipments and reviewed contents against purchase order for accuracy.

Carpenter/ Finish Carpenter

June 2000 to April 2007

Regnier Construction – Taylor, Michigan

Hung cabinets, installed counter tops, steel stud construction, trim work, hung drywall and finished drywall. Laid various types of flooring and ceilings on commercial and residential structures. Worked independently on projects and tasks within a carpentry team. Safely used band, circular, jig, reciprocating, chop and compound miter saws.
