

## BRACKAN ENVER

7615 Legacy pines dr , Cypress Tx 77433  
281 541 4240  
[Ebrackan@aol.com](mailto:Ebrackan@aol.com)

2015 - 2017 Wileco INC

Master Electrician

Design and install heat tracing custom control systems to monitor and sensing heat trace variables. Install and programming alarms for temperature , heater current and ground fault changes in heat tracing cables in hazardous areas.

2012 -2015 KIRKWOOD & HUNTER ELECTRIC

Electrician Foreman

Planned wiring and installation of equipment and fixtures , such as : generators , load switches , load control relays, lighting control . New construction of buildings such schools, hospitals , dealerships etc. Interpreted , specifications , blueprints and job orders to workers and assigned labor workers.

2009 - 2012 FLUOR DANIEL

Electrician foreman on LOGCAP IV AFGHANISTAN

Performing electrical inspections , evaluate and adjust priorities' and work focus as needed to meet LOGCAP electrical requirements. Ensure that all work performed is fully compliant with applicable sections of the NEC or British Standard 7671 .

2007-2009 KIRKWOOD & HUNTER ELECTRIC

Electrician foreman

Planned wiring and installation of equipment and fixtures , such as : generators , load switches , load control relays, lighting control . New construction of buildings such schools, hospitals , dealerships etc. Interpreted , specifications , blueprints and job orders to workers and assigned labor workers.

2002-2007 ENERGY ELECTRIC

Electrical supervisor

Monitor projects & workloads and adjusted work procedures to meet production schedules. Using knowledge of capacities of equipment and personnel , studied worker hour requirements to control measurements of budget & monitor approved founds.

1998- 2002 TELEDYNE BROWN ENGINEERING

Electrical /control engineer

Perform and lead the performance of electrical and instrumentation design for environmental system projects. Develop wiring diagrams, selection and specification of instruments and controls. Training and suggested changes in working conditions and use of equipment to increase efficiency of department and work crew.

1996-1998 INA CROATIA

Electrician technician

Maintenance and installation of electrical systems in industrial environments.

1987-1996 RMK BOSNIA AND HERCEGOVINA

Supervisor of electrical department

Responsibilities for maintaining heavy elevator equipments , motor control systems, control room with complete instrumentation for heavy stoves for steel , Maintenance and set up for new generators , oil transformers. Implementing courses in maintenance of electrical equipment for new hires.

### EDUCATION

1983- 1985 TSC Nikola Tesla

Electrical study for electrical engineering

1987-1991 University of Sarajevo

Study for Metallurgy engineering

2000-2004 IEC

Journeyman electrician classes
