Pristine care at home - Loveland, CO

May 2019 to October 2019

All aspects of in home caregiving. Experience in memory care.

- Experienced in operating Hoyer lifts

Assistant Manager/Sales Associate

Kroger / Loaf N Jug

June 2016 to April 2017

in this position I was responsible for daily operations, cash handling and accounting, execution of monthly merchandising promotions, Personnel Staffing and scheduling, merchandise ordering and stocking as well as inventory management and control. I scheduled my staff to meet labor goals while providing X ceptional customer experience. I managed labor hours, inventory audits, cash control, customer complaints, Bender receiving and relations. I led my team to increase sales while providing excellent customer service to our customers by utilizing accurate inventory management teamwork and exceptional customer service sales and customer accounts have increased. I am committed to Excellence and believe in leading by example. Through attention to detail and commitment to Excellence I have led my team to create a friendly and fresh shopping experience focused on building long-term customer relations.

Assistant Manager

Pilot Flying J

March 1999 to November 2015

I worked as an assistant manager in charge of daily operations, specializing an outstanding customer service and a high-volume fast-paced work environment. As an assistant manager I was fully trained in all areas of the store, including operations of the register taking customer service calls, handling refunds and exchanges, and general merchandising. I oversaw ordering and stock room maintenance. I was responsible for cash accounting and deposits as well as Bender receding, location maintenance and general stocking. I was able to help create a work environment that was team-oriented and motivated, while providing excellent customer shopping experience for diverse customer base.
