Work Experience

Chemical Technician

Molecular Products - Longmont, CO

May 2021 to May 2023

- Work as a team member on a medical air filter assembly line: put together, label, and pack filter products, adhering to all safety and quality guidelines and standards
- Monitor equipment to ensure that filters are being assembled properly; report any malfunctions to line lead
- Make sure that the correct raw materials are being used for the filters scheduled to be produced
- Inspect filters to ensure they are up to quality standards (SOPs)
- Filled canisters with sodalime
- Placed lids on top of canisters and welded the top
- Packed filters and canisters in boxes to ship
- Tested and packaged for shipping
- Load boxes onto pallets as per product SOPs
- Attain daily production goals and ensure production deadlines are met
- Maintain safety and housekeeping at all times
- Perform other duties as assigned by line leaders and / or supervisors

Kennel Technician

Whispering Pines - Longmont, CO

January 2021 to December 2021

Ensuring each pet is cared for correctly. Keeping a healthy yet efficient work environment, making sure the ways of keeping the building clean stay as marked.

Pet Care Associate

City Bark - Littleton, CO

February 2020 to October 2020

Ensure each furry guest is treated with respect and dignity. Maintain a sanitary and healthy environment by following City Bark standards of cleaning and disinfecting rooms. Monitor guest's health by daily charting of eating and elimination habits. Follow all City Bark standards of safety with regards to handling guests, particularly aggressive guests and escape artists. Immediately alert front staff when a guest is exhibiting odd/bad behavior.

Cognitive and Sensory Motor Coach

Brain Balance Achievement Centers - Denver, CO

January 2019 to October 2019

Brain Balance help children who struggle with focus, emotion, behavior, social skills, and academics through a holistic and integrated approach that is customized to meet the needs of each child.

I coached kids from 18 years old to 5 years old with physical activities, coordination, and sensory activities.

Boy Scout Counselor

Boy Scouts of America - Littleton, CO

June 2018 to July 2018

Collaborated with other camp counselors to create atmosphere of fun and learning.

- Developed strong working relationships with campers, their parents and guardians and other counselors through effective communication and active listening skills.
- Established emergency procedures for the camp in the event of a serious or critical injury or incident.
- Provided first-aid for accidents and injuries or during emergency situations.
- Contacted the Camp Director to report campers who did not adhere to safety protocols.
- Served as exceptional role model throughout camp program and associated activities.
- Ensured proper supervision, safety, and security of all participants and assigned volunteers.
- Cultivated positive relationships with children by interacting during merit badges and troop patrol activities.
- Adhered to all emergency procedures associated with camp program.
- Taught camper's various skills, including how to identify birds, how to survive in different climates and methods to avoid poisonous outdoor plants.
- Executed daily activity schedules, gathered materials, and assisted with camp set-up, breakdown, and clean-up.
