Work Experience

Delivery Driver

FedEx, Chandler

August 2020 to Present

Scan missed packages

- Deliver packages up 150lbs
- Drive multiple sized box trucks daily

Warehouse Associate

Safelite - Phoenix, AZ

March 2017 to July 2020

I help direct a team of people to ensure that the internal shipping and receiving processes are done smoothly and correctly.

- As a team we also manage loading and unloading all vehicles that we ship and receive auto glass in. That entails windshields, door glasses, accessories, and supply items.
- On a day to day basis I inspect each piece of glass to ensure that it is not damaged and count inventory that goes in and out of trucks.

Shipping Associate

Zounds, Chandler

October 2016 to December 2016

Efficiently filling out and organizing shipping orders in a quick and precise manner.

- Quickly inputting shipping information by use of FedEx shipping client as well as keeping my workspace organized and clean.

Inventory Management Associate

Walmart

April 2014 to October 2015

Unloading freight trucks using pallet jacks, forklifts and walkie stackers.

- I separated the freight for placement in the appropriate location in the store warehouse in preparation for distribution to the sales floor.
- I enter the overstock freight into the inventory system, as well as occasionally assisting with stocking inventory in store departments.
