Work Experience

Team Member

Walmart - Timnath, CO

November 2021 to Present

At Walmart, I am a team member currently, in the home-lines department. My job title is as a "Zoner," which means I clean and move things along aisles. Put them where they belong, and organize things so that it's easier to find for customers. Also, I had to learn a store's floor layout, to easier help customers find items they are looking for.

Team Member

Sonic Drive-In - Windsor, CO

January 2020 to May 2021

At Sonic, I was a team member. Which meant I ran the drive thru, ran carhop, and had to balance many different jobs which were all included in filling order. I worked at Sonic for a year and a half, before I decided it wasn't the job for me, and chose to move along to something else.

At this job, I did a lot of customer service things. Which has become a big skill of mine throughout the 2 jobs I've worked.
