## PLEASE READ CAREFULLY APPLICATION FORM WAIVER

In exchange for the consideration of my job application by Corporate Management Group, Inc.,

I agree that:

Neither the acceptance of this application nor the subsequent entry into any type of employment relationship, either in the position applied for or any other position, and regardless of the contents of employee handbooks, personnel manuals, benefit plans, policy statements and the like as they may exist from time to time, or other company practices, shall serve to create an actual or implied contract of employment, or to confer any right to remain an employee of Corporate Management Group, Inc. (CMG), or otherwise to change in any respect the employment-at-will relationship between it and the undersigned, and that relationship cannot be altered except by a written instrument signed by an officer of CMG. Both the undersigned and CMG may end the employment relationship at any time, without specified notice or reason. If employed, I understand that CMG may unilaterally change or revise their benefits, policies and procedures and such changes may include reduction in benefits.

I authorize investigation of all statements contained in this application. I understand that the misrepresentation or omission of facts will result in my disqualification from consideration for employment or, if discovered after I begin employment, will result in my termination. I hereby give CMG permission to contact schools, all previous employers (unless otherwise indicated), references and others and hereby release CMG from any liability as a result of such contact.

I understand that a comprehensive background check may be conducted to determine my eligibility for hire by CMG. This may include but is not limited to, investigations of criminal and/or conviction records, driving records and/or a drug screen test as required by clients, government regulations or by CMG policies.

I release CMG and other persons or entities from any claims that might be based on CMG's decision to conduct a background check.

I understand that, in connection with the routine processing of your employment application, CMG may request from a consumer reporting agency an investigative consumer report including information as to my credit records, character, general reputation, personal characteristics and mode of living. Upon written request from me, CMG will provide me with additional information concerning the nature and scope of any such report requested by it, as required by the Fair Credit Reporting Act.

I further understand that my employment with CMG shall be probationary for a period of ninety (90) days and further that at any time during the probationary period or thereafter, my employment relationship with CMG is terminable at will for any reason by either party.

# Achoo!

By Cynthia Sherwood

Achoo! We all sneeze sometimes. Sneezing is a reflex that your body does automatically. That means you cannot make yourself sneeze or stop one once it has started. When you sneeze, your body is trying to get rid of bad things in your nose, such as bacteria. You have extra germs when you have a cold, so you sneeze a lot more. You might also sneeze when you smell pepper!

Inside your nose, there are hundreds of tiny hairs. These hairs filter the air you breathe. Sometimes dust and pollen find their way through these hairs and bother your nasal passages. The nerves in the lining of your nose tell your brain that something is invading your body.

Your brain, lungs, nose, mouth and the muscles of your upper body work together to blow away the invaders with a sneeze. When you sneeze, germs from your nose get blown into the air. Using a tissue or "sneezing into your sleeve" captures most of these germs. It is very important to wash your hands after your sneeze into them, especially during cold and flu season.

Do you ever sneeze when you walk into bright sunlight? Some people say that happens to them often. Scientists believe the UV rays of the sun irritate the nose lining of these people so they sneeze.

If someone nearby sneezes, remember to tell them "Gesundheit!" that is a funny-looking word which is pronounced "gezz-oont-hife." It is the German word that wishes someone good health after sneezing.

1. Why do people sneeze?
  - a. The tiny hairs in your nose tickle
  - b. Your body is trying to get rid of bad things
  - c. You can make yourself sneeze when you want to
2. What are the 3 parts of your body that work together with your upper body to sneeze?
  - a. Hand, Elbow, Shoulder
  - b. Ankle, Knee, Hip
  - c. Brain, Lungs, Mouth
3. What other things can make you sneeze?
  - a. Pepper, Sun, Dust, and Pollen
  - b. Water, Pop, Flowers, Trees
  - c. Salt, Seasonings, Meat, Fruit
4. What is a German word that people often say to someone that sneezes?
  - a. Good Job
  - b. Gesundheit
  - c. Hang in there
5. What should you do after your sneeze into your hands especially during cold and flu season? (This should also be done in the production area!)
  - a. Wipe them with a tissue
  - b. Nothing
  - c. Wash your hands
