I started a career in law enforcement at the Leadville Police Department and made my way back to the metro area to be by family and friends. After starting with Douglas County Sheriff's Office I realized I wanted more of a work and home life balance.

I have many interests and hobbies that include working on my vehicle, building or repairing stuff around the house, anything with firearms, gaming, golf, frisbee golf, working out, cooking (on a smoker), 4-wheeling, camping, fishing and hunting.

I can be easily reached at my email address or by phone to answer any questions and send references or contact information for past employers.
