Work Experience

Driver, janitor and order selector

Birdon America - Denver, CO
October 2020 to Present

I deliver boat parts from our shop to the main warehouse. And also do all of our other needed driving. I also pull the boat parts for the boat the main warehouse. I am also responsible for all janitorial responsibilities in our shop.

Amazon Warehouse Associate

Amazon.com - Thornton, CO
March 2020 to October 2020

I worked in the shipping department of a fulfillment center. My job varied from sort to load out. Somedays I would be on induct sort other days I would be loading trucks or pg of flats sort a pg is a process guide responsible for keeping the team in my area where they were they are needed most.

Line Processor

Jessi's Ilwaco Fish - Ilwaco, WA
2016 to 2018

My job duties varied depending on what season it happened to be. In the surimi line I was normally placed at the mixer or the plate freezer. Then in most other seasons I was a packager packing all the processed material. During peak of seasons I would also be responsible for assisting with the paper work for weight, time, capacity, and temperature's.

Day Shipping Lead

DHL eCommerce - Denver, CO
2013 to 2015

I was responsible for loading all outgoing shipments, logging all weights for the driver, creating a shipment log for the driver. Operate forklift, order equipment from post office for the night sort crew. Set up the floor for night sort. Communicate with night lead what their sort should look like. Stage all material for sort. Log all incoming and outgoing weights, and times arrived and departed in master data base.
