Form W-4 (2018)

Future developments. For the latest information about any future developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose. Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. Consider completing a new Form W-4 each year and when your personal or financial situation changes.

Exemption from withholding. You may claim exemption from withholding for 2018 if **both** of the following apply.

- For 2017 you had a right to a refund of **all** federal income tax withheld because you had **no** tax liability, **and**
- For 2018 you expect a refund of **all** federal income tax withheld because you expect to have **no** tax liability.

If you're exempt, complete **only** lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2018 expires February 15, 2019. See Pub. 505, Tax Withholding and Estimated Tax, to learn more about whether you qualify for exemption from withholding.

General Instructions

If you aren't exempt, follow the rest of these instructions to determine the number of withholding allowances you should claim for withholding for 2018 and any additional amount of tax to have withheld. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

You can also use the calculator at www.irs.gov/W4App to determine your tax withholding more accurately. Consider

using this calculator if you have a more complicated tax situation, such as if you have a working spouse, more than one job, or a large amount of nonwage income outside of your job. After your Form W-4 takes effect, you can also use this calculator to see how the amount of tax you're having withheld compares to your projected total tax for 2018. If you use the calculator, you don't need to complete any of the worksheets for Form W-4.

Note that if you have too much tax withheld, you will receive a refund when you file your tax return. If you have too little tax withheld, you will owe tax when you file your tax return, and you might owe a penalty.

Filers with multiple jobs or working spouses. If you have more than one job at a time, or if you're married and your spouse is also working, read all of the instructions including the instructions for the Two-Earners/Multiple Jobs Worksheet before beginning.

Nonwage income. If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you might owe additional tax. Or, you can use the Deductions, Adjustments, and Other Income Worksheet on page 3 or the calculator at www.irs.gov/W4App to make sure you have enough tax withheld from your paycheck. If you have pension or annuity income, see Pub. 505 or use the calculator at www.irs.gov/W4App to find out if you should adjust your withholding on Form W-4 or W-4P.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Personal Allowances Worksheet

Complete this worksheet on page 3 first to determine the number of withholding allowances to claim.

Line C. Head of household please note:

Generally, you can claim head of household filing status on your tax return only if you're unmarried and pay more than 50% of the costs of keeping up a home for yourself and a qualifying individual. See Pub. 501 for more information about filing status.

Line E. Child tax credit. When you file your tax return, you might be eligible to claim a credit for each of your qualifying children. To qualify, the child must be under age 17 as of December 31 and must be your dependent who lives with you for more than half the year. To learn more about this credit, see Pub. 972, Child Tax Credit. To reduce the tax withheld from your pay by taking this credit into account, follow the instructions on line E of the worksheet. On the worksheet you will be asked about your total income. For this purpose, total income includes all of your wages and other income, including income earned by a spouse, during the year.

Line F. Credit for other dependents.

When you file your tax return, you might be eligible to claim a credit for each of your dependents that don't qualify for the child tax credit, such as any dependent children age 17 and older. To learn more about this credit, see Pub. 505. To reduce the tax withheld from your pay by taking this credit into account, follow the instructions on line F of the worksheet. On the worksheet, you will be asked about your total income. For this purpose, total income includes all of

A SUMMARY OF YOUR RIGHTS UNDER THE FAIR CREDIT REPORTING ACT

The federal Fair Credit Reporting Act (FCRA) promotes the accuracy, fairness, and privacy of information in the files of consumer reporting agencies. There are many types of consumer reporting agencies, including credit bureaus and specialty agencies (such as agencies that sell information about check writing histories, medical records, and rental history records). Here is a summary of your major rights under the FCRA. **For more information, including information about additional rights, go to www.consumerfinance.gov/learnmore or write to: Consumer Financial Protection Bureau, 1700 G Street N.W., Washington, DC 20552.**

- You must be told if information in your file has been used against you.** Anyone who uses a credit report or another type of consumer report to deny your application for credit, insurance, or employment – or to take another adverse action against you – must tell you, and must give you the name, address, and phone number of the agency that provided the information.
 - You have the right to know what is in your file.** You may request and obtain all the information about you in the files of a consumer reporting agency (your “file disclosure”). You will be required to provide proper identification, which may include your Social Security number. In many cases, the disclosure will be free. You are entitled to a free file disclosure if:
 - a person has taken adverse action against you because of information in your credit report;
 - you are the victim of identity theft and place a fraud alert in your file;
 - your file contains inaccurate information as a result of fraud;
 - you are on public assistance;
 - you are unemployed but expect to apply for employment within 60 days.
 In addition, all consumers are entitled to one free disclosure every 12 months upon request from each nationwide credit bureau and from nationwide specialty consumer reporting agencies. See www.consumerfinance.gov/learnmore for additional information.
 - You have the right to ask for a credit score.** Credit scores are numerical summaries of your credit-worthiness based on information from credit bureaus. You may request a credit score from consumer reporting agencies that create scores or distribute scores used in residential real property loans, but you will have to pay for it. In some mortgage transactions, you will receive credit score information for free from the mortgage lender.
 - You have the right to dispute incomplete or inaccurate information.** If you identify information in your file that is incomplete or inaccurate, and report it to the consumer reporting agency, the agency must investigate unless your dispute is frivolous. See www.consumerfinance.gov/learnmore for an explanation of dispute procedures.
 - Consumer reporting agencies must correct or delete inaccurate, incomplete, or unverifiable information.** Inaccurate, incomplete or unverifiable information must be removed or corrected, usually within 30 days. However, a consumer reporting agency may continue to report information it has verified as accurate.
 - Consumer reporting agencies may not report outdated negative information.** In most cases, a consumer reporting agency may not report negative information that is more than seven years old, or bankruptcies that are more than 10 years old.
 - Access to your file is limited.** A consumer reporting agency may provide information about you only to people with a valid need – usually to consider an application with a creditor, insurer, employer, landlord, or other business. The FCRA specifies those with a valid need for access.
 - You must give your consent for reports to be provided to employers.** A consumer reporting agency may not give out information about you to your employer, or a potential employer, without your written consent given to the employer. Written consent generally is not required in the trucking industry. For more information, go to www.consumerfinance.gov/learnmore.
 - You may limit “prescreened” offers of credit and insurance you get based on information in your credit report.** Unsolicited “prescreened” offers for credit and insurance must include a toll-free phone number you can call if you choose to remove your name and address from the lists these offers are based on. You may opt-out with the nationwide credit bureaus at 1-888-567-8688.
 - You may seek damages from violators.** If a consumer reporting agency, or, in some cases, a user of consumer reports or a furnisher of information to a consumer reporting agency violates the FCRA, you may be able to sue in state or federal court.
 - Identity theft victims and active duty military personnel have additional rights.** For more information, visit www.consumerfinance.gov/learnmore.
- States may enforce the FCRA, and many states have their own consumer reporting laws. In some cases, you may have more rights under state law. For more information, contact your state or local consumer protection agency or your state Attorney General. For information about your federal rights, contact:**

INJURY MANAGEMENT PROGRAM

Injured Worker's Responsibilities

As your employer, we are concerned about your full recovery. Reasonable and necessary medical care will be paid for any compensable work injury. Medically authorized time away from work will be reimbursed in accordance with the **State of Minnesota workers' compensation laws**. Wherever possible light duty restrictions imposed as a result of your injury will be accommodated.

RESPONSIBILITIES OF THE INJURED WORKER:

Minnesota Rule Sec. 5221.0430, Subp. 1 requires that you choose one primary health care provider. Subpart 2 places limitations on your right to change primary health care providers. Discuss with your employer any change in health care provider.

Attend all scheduled appointments. While on physical limitations, visits should be a minimum of once every two weeks. Failure to have current medical support for disability may result in termination of benefits. Schedule your next appointment immediately after your doctor visit, before you leave the clinic if possible.

Obtain a Report of Workability from your physician at every appointment, a minimum of once every two weeks. M.R. 5221.0420 requires that your physician cooperate with return to work planning and that you be released to return to work at the earliest appropriate time.

Immediately following your appointment, provide a copy of the report to the designated employer representative. You should deliver this in person so that changes in work restrictions may be addressed and any questions answered.

Follow all physical restrictions at home and at work.

Report to work and perform physically suitable tasks as assigned. These may or may not be in your regular department. The work may or may not be on your usual shift.

Maintain regular, weekly, communication with your employer if you are unable to return to work. Contact your employer a minimum of after every visit with your primary health care provider. Keep the claims representative advised of your status.

Notify your employer immediately of any new injuries or conditions that impact your physical condition.

If it is necessary to miss scheduled work due to a work injury, you must be seen by your primary health care provider the same day in order to receive compensation for the time away from work. The physician must complete a Report of Workability.

I have read my responsibilities and agree to abide by these guidelines.

Important/Importante

LOST OR STOLEN PAYCHECKS

If a paycheck is **lost** (*missing, misplaced, destroyed, lost in the mail, etc.*), you must notify your staffing recruiter that the check cannot be found. If it can be verified that the check has not been cashed, ESSG will stop payment on the check and re-issue the check to you, deducting a fee of between \$25-\$35.

If your paycheck was **stolen**, you must first file a police report before we can re-issue the check. Once you have done so, you must provide a copy of the police report to your staffing recruiter that the check was stolen. If the check has not been cashed and if the loss of the check was not your fault, ESSG will issue a new check and no fee will be deducted.

CHEQUES DE PAGO PERDIDOS O ROBADOS

Si un cheque de pago se pierde (que falta, fuera de lugar, destruido, perdido en el correo, etc), usted debe notificar a su reclutador de personal que el cheque no se puede encontrar. Si se puede verificar que el cheque no ha sido cobrado, ESSG se detendrá el cheque de pago y reemitir el cheque a usted, descontando un cargo de entre \$ 25 - \$ 35.

Si su cheque de pago fue robado, primero debe denunciar el robo a la policía antes de que podamos volver a emitir el cheque. Una vez hecho esto, usted debe proporcionar una copia de la denuncia a su reclutador de personal que el cheque fue robado. Si el cheque no ha sido cobrado y si la pérdida del cheque no fue su culpa, ESSG emitirá un nuevo cheque y no hay cuota se deducirá.

Also, a temporary employee who agrees to work on an as-needed basis and refuses all work within three separate pay periods when contacted by the employer is deemed to have voluntarily terminated employment for reasons that may or may not allow an award of benefits pursuant to section 8-73-108.

It is your responsibility to contact or notify ESSG (For example, by calling 303-920-1425, or using another means of contact) once your assignment ends. If you fail to do so, it may affect your unemployment benefits.

DRUG AND ALCOHOL TESTING POLICY

I. PURPOSE

Alcohol and drug abuse adversely affects job performance, the kind of work an employee performs and an employee's opportunities for successful employment. It is the intent of this document to provide employees with ESSG's [hereafter "the Company"] policy regarding the use of drugs and alcohol while at work. The Company does not intend to intrude into the private lives of its employees, but strongly believes that a drug-free workplace is in the best interest of employees and non-employees alike.

II. SCOPE

This policy applies to all applicants for employment and to all employees including contract or temporary employees. The policy is applicable at Company facilities or whenever Company employees are performing company business.

III. DISCLAIMER

Employment at the Company is at-will. This policy is not a unilateral employment contract and should not be interpreted as creating a unilateral employment contract.

IV. PROHIBITIONS

A. No employee shall report to work under the influence of alcohol, any controlled substances, or any other drugs or medications that may affect the employee's alertness, coordination, reaction, response, judgment, decision-making, or safety.

B. No employee shall operate, use, or drive any equipment, machinery, or vehicle of the Company or any client of Company while under the influence of alcohol, any controlled substances, or any other drugs or medications that may adversely affect the employee's ability to operate such equipment, machinery, or vehicle. Employees are under an affirmative duty to immediately notify their supervisor if they are not in an appropriate mental or physical condition to operate, use, or drive any equipment machinery, or vehicle or otherwise safely perform their job duties.

C. No employee shall unlawfully manufacture, distribute, dispense, possess, transfer, or use a controlled substance in the workplace or wherever the Company's work is being performed.

D. Engaging in off-duty sale, purchase, transfer, use or possession of illegal drugs or controlled substances may have a negative effect on an employee's ability to perform his/her work for the Company. In such circumstances, the employee is subject to discipline.

E. When an employee is taking medically authorized drugs or other substances that may alter job performance, the employee is under an affirmative duty to notify their supervisor of the temporary inability to perform his or her job duties.

F. The Company shall notify the appropriate law enforcement agency, licensing boards, and other relevant authorities when it has reasonable suspicion to believe that an employee may have illegal drugs in his or her possession at work or on company premises.

G. Employees shall not consume alcoholic beverages during lunch periods, dinner periods, or breaks when returning immediately thereafter to perform work on behalf of the Company. In situations where the employee conducts the Company's business after the intake of alcohol, the employee shall be subject to discipline up to and including discharge.

V. ALCOHOL AND DRUG TESTING

As part of the Company's commitment to an alcohol and drug-free workplace, the Company reserves the right to require that applicants and employees submit to drug or alcohol testing in accordance with the provisions of applicable law. This policy represents the notice required under applicable law and a copy will be provided to all applicants and employees who are requested to undergo testing. In the event of any conflict between this policy and applicable law in effect at the time of the test, the law will control.

A. Who May be Subject to Testing.

1. Job Applicants. The Company may require that all applicants for a particular position be tested for drugs or alcohol after receiving a conditional offer of employment. If the applicant tests positive for drugs or alcohol, the conditional offer may be withdrawn.

2. Routine Physical Examination Testing. The Company may require employees to undergo a drug or alcohol test once a year as part of a routine physical examination. Affected employees will be given two weeks written notice that they will be tested for drugs or alcohol as part of a routine physical.

3. Random Testing. The Company may require employees in safety-sensitive positions to undergo testing on a random selection basis. Once the random selection has been made, the Company will not waive the selection of any employees identified through the random process.

4. Reasonable Suspicion Testing. The Company may require an employee to undergo drug or alcohol testing if the Company reasonably suspects that the employee:

- a. is under the influence of drugs or alcohol;
- b. has violated the Company's written work rules prohibiting drug and alcohol use;
- c. has sustained or caused another employee to sustain personal injury; or
- d. has caused a work-related accident or was operating or helping to operate machinery, equipment or vehicles involved in a work-related accident.

5. Treatment Program Testing. The Company may require an employee who has been referred for chemical dependency treatment or evaluation or is participating in a treatment program under an employee benefit plan to undergo drug or alcohol testing on a random basis and without advance notice during the evaluation or treatment period and for up to two years following the completion of any treatment program.

B. Conducting the Testing.

1. Consent. All employees required to undergo testing will be required to complete and sign the employee consent form attached as Appendix A.

2. Refusal to Participate. An employee or job applicant has the right to refuse testing. However, a refusal of testing will be treated as a failure to comply with Company policy and may result in withdrawal of a job offer or disciplinary action up to and including termination of employment.

3. The Laboratory. The Company will use a laboratory certified by the National Institute on Drug Abuse (NIDA) or its successor, the College of American Pathologists (CAP), or the New York State Department of Health or other licensing body recognized by applicable law to perform all drug and alcohol tests.

4. Test Results.

The laboratory will conduct both an initial test and a confirmatory test if the initial test is positive. A negative result on either the initial or confirmatory test will be deemed a negative test result (i.e. the employee passed the test). A positive result on both the initial and confirmatory test will be deemed a positive test result (i.e. the employee failed the test.)

a. Negative Test Result. An employee or applicant who tests negative for drugs or alcohol will be given written notice that they passed the test within three working days of the Company receiving the test results from the testing laboratory.

b. Positive Test Result. An employee or applicant who tests positive for drugs or alcohol will be given written notice that they have failed the test within three working days of the Company receiving the test results from the testing laboratory. The employee or applicant will then be given the opportunity to provide any information to explain the positive result, including any over-the-counter or prescription medications the employee or applicant may have taken. An employee or applicant who wishes to submit any explanatory information must do so within three working days after being notified of the positive test result.

An employee or applicant who has a positive test result may also request a retest of the original sample by the same or different certified laboratory at his or her own expense. An employee or applicant who wishes to conduct a retest must notify the Company in writing of their intention to conduct such a retest within five working days after being notified of the positive test result. If the results of the retest are negative, the test will be considered a negative test result.

C. Right to Test Result. An employee or job applicant has the right to request and receive from the Company a copy of the test result report on any drug or alcohol test.

C. Costs. All costs related to alcohol and drug testing will be paid by the Company, with the exception of any retests requested by the employee or applicant following a positive test result.

D. Disciplinary Action in Response to a Positive Test Result.

1. Interim Discipline and Action: The Company reserves the right to temporarily suspend an employee or transfer the employee to another position at the same rate of pay pending the outcome of any drug or alcohol test. An employee who is suspended without pay will be reinstated with back pay if the test or any requested retest is negative.

2. Applicants. The Company reserves the right to withdraw the conditional job offer of any job applicant with a positive test result, without the opportunity to complete evaluation or treatment.

3. Employees - First Positive Test Result - Termination: The Company will not discharge an employee for the first positive test result. Instead the employee will be given the opportunity to participate in an appropriate drug or alcohol counseling or rehabilitation program as determined by a certified chemical use counselor or physician trained in the diagnosis and treatment of chemical dependency chosen by the Company. The employee will be responsible for paying all costs associated with any evaluation and subsequent treatment themselves or pursuant to coverage under an employee benefit plan. An employee who refuses or fails to participate in, cooperate with, or complete the evaluation or recommended treatment may be terminated. An employee who successfully completes treatment may be subject to random follow-up testing for a period of up to two years in accordance with section V.A.5. of this policy.

4. Employees - First Positive Test Result—Discipline: The Company reserves the right to take any other disciplinary action short of discharge it deems warranted following a first positive test result.

5. Employees-Subsequent Positive Test Result: An employee who has more than one positive test result may be terminated immediately following any second or subsequent positive test result without referral to or the opportunity to complete additional chemical dependency counseling or rehabilitation.

E. Privacy of Test Results.

1. Test results and other information acquired as a result of the testing program are private and confidential information and will not be disclosed by the Company or the testing laboratory to another employee or to third party individuals, government agencies, or private organizations without written consent of the employee or applicant being tested.

2. Evidence of a positive test result, however, may be used in an arbitration proceeding pursuant to a collective bargaining agreement, an administrative hearing, or a judicial proceeding, provided the information is relevant to the hearing or proceeding. Such evidence may also be disclosed to any federal agency or other unit of the United States government as required under federal law, regulation, or order. Evidence of a positive test result may also be disclosed to a substance abuse treatment facility for the purpose of evaluation or treatment.

3. The Company will provide an employee with access to information in the employee's file relating to positive test result reports and other information acquired in the testing process as well as conclusions drawn from or actions taken based upon such information.
