Professional Summary

Seeking a career with a excellent organization where I can utilize my skills, talents, and abilities where I can advance with opportunity growth and development to better myself and needs of the company.

Willing to relocate: Anywhere

Authorized to work in the US for any employer

Work Experience

Inventory Control Specialist

CUMMINS-MERITOR-Laurinburg, NC

Present

When given assignments I go and do counts on parts and make sure the number match in oracle if not I go and make numbers match what is in the system to what is physical available. I also prepare for company wide inventory and create spreadsheets in excel to match and weight the demand with parts available and send them to planners and anything else needed from me by management.

Supply Clerk

Perdue Farms, Inc.-Rockingham, NC

August 2022 to April 2023

shipping and receiving inventory to be issued out to the maintenance the proper equipment to keep the productions floors moving product. I used programs such as maximo and SAP to conduct daily transactions in the supply room. I also processed work orders and kitted work orders for Saturday work. I also processed Purchase Order Number to make sure that the vendors where paid for the items that where received into the building. I also set up a better way to process the invoice to where if there was an mistake on any end they could be easily accessed on further dates to insure accuracy on our part and make things move a lot easier

Transportation Supervisor

CEVA Logistics-Pageland, SC

March 2020 to August 2022

Track and trace route drivers and dispatch them to the location assigned to them by the planner. I also give out corrective actions from lynx drive cams and make sure they stay complaint with dot regulations. I also check drivers, trucks, and trailers to make sure that the are up to date and have all paperwork available for any type of dot inspection.

On-Site Supervisor

DTC Workforce Programs-Hamlet, NC

February 2021 to August 2021

Supervisor of temp employees and trainer to the trainers on the production, handled onboarding paperwork, orientation, payroll accountability, amongst other things needed by manager

Inventory Control Specialist

Staffing Alliance/Maidenform-Rockingham, NC

April 2020 to February 2021

Used SAP system to issue different types of material throughout the entire facility to make sure production keep going and production parts where shipped out in a timely manner
