About Bryan Broughton; I am 29 years old born April 15th 1988. I have two daughters I support to my fullest potential, and try spending my free time with my family doing various activities. I am a diligent worker and am very reliable, finishing projects 100% that I begin. Although I feel like I have an excellent work ethic I always try and go above and beyond trying to improve on anything I can every step of the way.

CAREER OBJECTIVE: I would like to find a job I could make a career of. A place where there is opportunity to move forward and up that I will have enough time to spend with my family. I would like a job where I can continue to learn more skills and be able to improve on all around.

EDUCATION: Spanish Springs High School, Spanish Springs, NV
Obtained GED

OTHER SKILL/CERTIFICATIONS:

Forklift certified, man lift certified, welding (mig) ability to operate any heavy machinery, ability to utilize all hand power tools and work as well as provide a safe work environment, ability to read numerous types of blue prints, ability to lift 100+ pounds on a consistent basis, dishwashing (1yr), prep cook/ line cook (8mos)
