Work Experience

Warehouse Worker

Freshmade LLC - Denver, CO

December 2019 to Present

When deliveries are made I am in charge of making sure they are correctly labeled and placed on the right truck. Also in charge of upkeep and cleanliness in all work areas.

Asbestos removal

Environmental demolition INC

February 2018 to June 2018

I performed safety regulations to keep asbestos waste fibers contained. Set up containment demolitions, cleanup crew, dispose of asbestos materials. I have also worked in the warehouse where it was my responsibility to retrieve and sort out all tools and materials needed for each job at different locations.

Dishwasher

Quaker Steak and Lube - Denver, CO

June 2014 to December 2014

I performed general maintenance duties, including mopping floors, washing dishes, wiping counters, and emptying traps. I cleaned food preparation areas, cooking surfaces, and utensils. I worked well with my teammates and openly invited coaching from the management team. I assisted management with monthly inventory control and weekly stock ordering. I closely followed standard procedures for safe food preparation, assembly and presentation to ensure customer satisfaction. Frequently washed and sanitized hands, food areas and food preparation tables.

Service Worker

Water Works Car Wash - Westminster, CO
