Additional Information

I'm highly motivated in developing new skills and improving skills with experience. I'm very comfortable with guest service and leading a team. I love to work and enjoy what I do by being a strong part of a team and great supporter for the business.

*I also have a lot of kitchen experience on the line and prepping. I've cooked in different kitchen settings and stations.

*I have previous experience in Labor working for a landscaping company. It was a summer job where I was able to experience different skills such as building retaining walls, paver patios, planting trees and shrubs, sprinkler system, and basic lawn care.
