Primary Care Assistant

H.O.P.E - Macon, GA

June 2015 to July 2016

My responsibilities as a PCA were monitoring and assisting individuals with various disorders.This included bathing them; cooking and serving; house cleaning; dispensing medication; Also, documenting daily activities, blood pressure, and food intake.
Knowledge sets include: cleaning, dishes, food, prepare food, washing dishes, mopping.

Material Handler

Academy Warehouse - Jeffersonville, GA

May 2014 to September 2014

My responsibilities as a Material Handler consist of keeping a section of the warehouse clean and simply helping out where-ever I'm needed. I've learned much from my experiences at the Academy Warehouse. I feel like I'm capable to learn new things and use them effectively in any work environment. Knowledge sets include: cleaning, trash, warehouse.
