

MINNESOTA ONCOLOGY  
Saint Paul Cancer Center

May 29, 2015

To Whom It May Concern:

Ms Victoria Humphrey was seen in clinic today for both a clinic appointment and radiation therapy.

I requested the patient come in and be seen by me today, and thus the patient had no knowledge of this appointment prior to today and did not have much time to make other arrangements in terms of work schedule or shift coverage.

Please excuse her from work today, May 29, 2015.

Thank you for your cooperation and consideration in this matter.

Sincerely,

Sarah K Johnson PA-C
