Oma wattie; Trasferred from packaging to icing. She wasn't able work well with others is packing and could not grasp the work well. She now has trained in icing but, occasionally has conflict with co-workers. She refuses to go to break when ask to, she contradicts her leads instructions. Oma wattie isn't very cooperative and will argue her task and duties with co-workers. (continued 2 page)

... does not fit in the norm with the organization, she also refuses to wash icing bowls. At first she also had an issue with working Sundays or the weekend. As her supervisor I've given her multiple chances to cooperate and work as a team. Omawattie struggles to keep up with her co-workers pace and speed. Overall her performance and unwillingness makes her not fit in with the bakery and expectations.
