If your accident has an apparent total damage totaling \$1000 or more, or if the accident results in personal injury or death, you are required by state law to forward a state accident report to:

Department of Public Safety
DVS/Crash Records
445 Minnesota Street, Suite 181
St. Paul, Minnesota 55101-5181

State law does not require police officers to complete a report on every accident. If a police report is necessary, the Deputy or Officer will advise you at the scene. Please wait 2 business days after your accident and call us at our agency before coming in to ensure the report is complete. A blank driver's copy of the state crash report that may need to be filled out can be obtained from the local Police Department or Sheriff's Office or online at: <http://www.dps.state.mn.us/dvs/PDFForms/DVSFormFrame.htm>. We hope that you find this accident packet helpful in documenting and dealing with your accident.
