Skills

Throughout my employment history I have obtained many skills such as forklift driving, operating a loader, cashier experience, customer service experience, warehouse/shipping experience, as well as machine operating experience. I operated a fin-seal machine while working for Olympak. My most beneficial employment experience however was during my time as a volunteer police reserve officer for Champlin, MN. The social interaction with the community throughout various events such as parades, carnivals and races heightened my customer service/people interactions skills. Dealing with the community in that setting was the most beneficial experience I have had. I have also spend much time using computers and I am very computer efficient.
