REPOWERED

Fair chances for people, planet, and technology.

December 1, 2022

To Whom It May Concern:

It is my pleasure to write a letter of recommendation for Mr. Christopher Shea, a member of our Work Readiness Program at REPOWERED for over six months. Christopher worked as a warehouse specialist in our program and is sorely, sorely missed. I am honored to be able to speak about the qualities that make him a fantastic candidate for your open position.

Chris was a hard-working, prompt, attentive, reliable and valued team member at our company and in our program. His background in network engineering and technology was valued here and his willingness to jump in and do whatever was asked of him was invaluable. Mr. Shea is smart, talented, innovative and respected by his colleagues. He was flexible and asked very good questions about the processes we use here in our warehouse. In ALL instances, those questions were an attempt to understand more about his role and how it fit in the grander scheme and also to improve efficiency and performance.

Most importantly, Chris is approachable, kind and warm. His spirit, gratitude and smile are infectious and his colleagues are drawn to that and appreciative of his enthusiasm. Had personal life circumstances not required his departure, I feel confident saying that Mr. Shea had a career ahead of him in our organization. And, if circumstances bring him back to the Twin Cities, we would jump at the opportunity to have him back on our team.

The highest compliment I can give Christopher is that he made REPOWERED a better place to work and grow together. We thought the world of him and he comes to you with our highest recommendation. If you require any additional information about him, please do not hesitate to call.

With regards,

Tim Dorway
