I'm an all gas and no brakes type of worker, SAFETY FIRST, I Always promote a healthy work environment, am proactive with maintenance needs to ensure safety and satisfaction. I also set up, program, edit, set cutting speed, depth setting cutting tools, finishing parts, set-up, checking work quality, tearing down of CNC machines, and seeing overall maintenance of machine. I have an excellent ability to read, follow, and develop operating instructions and procedures. Good knowledge of computers and MS office.

I am an out of the box thinker who enjoys learning how things work.

Excellent time management skills as well as customer service and dedication to having the highest quality results, I believe I would be an asset to any team I became apart of.

Authorized to work in the US for any employer
