## Experience

### **Hub Supervisor**

UPS

July, 2017 —

I work in a managerial position at UPS that deals with training new employees to their job functions as safely and effectively as possible. I am required to be knowledgeable in a variety of fields and be diligent in my work. It involves dealing with people all of the time and having a good skill set for conflict resolution.

## Education

### **Adam's City High School**

No Degree
