If you are looking for a skilled General Laborer with a solid work ethic and a commitment to project excellence, you are sure to find my background and skill set to be of use. With 4 years of experience providing physical labor and site support to ensure efficient and compliant building construction and demolition, I am prepared to make an immediate contribution to the success of your team. From loading and unloading materials and clearing debris to maintaining equipment and operating work vehicles and power tools, I excel at prioritizing tasks, collaborating with management and fellow crew members, and maintaining a safe working environment.

Authorized to work in the US for any employer
