

**CARLON T. YOUNG**

651.373.8158

[ctyoung72@gmail.com](mailto:ctyoung72@gmail.com)

---

**OBJECTIVE**

Obtain a career in the construction, carpentry or welding trades utilizing the skills I have attained through school, training and experience.

**CORE QUALIFICATIONS**

- Residential and commercial Infrastructure construction - specializing in wood and metal framing, painting, and sheet rock installation R
- Blueprint and Schematic interpretation B
- Proficient use of a wide range of pneumatic power tools, drills, power saws, sanders, and grinders P
- Welding - certified and skilled in a broad range of techniques and positions in MIG, TIG, and Stick welding W
- Safety management; effectively trouble shoot and problem solve S

**EXPERIENCE**

**Radius Track** June 2018 - present

*Assembler*

Metal fabrication - measure, cut, and assembly of custom metal framework. Proficiently read blue prints and specifications

**Prospect Foundry** August 2016 - June 2018

Foundry work with complex cored ductile and gray iron castings utilizing modern casting technologies, engineering expertise to produce high quality complex pressure tight castings

**JL Schwieners** February 2016 – August 2016

*Framing Carpenter*

Framed residential and commercial buildings

**Trillium Construction** November 2015 – February 2016

*Fabricator*

Provided gas metal arc welding and ironwork with a recognized leader in metal fabrication and steel erections

**Twin City Framers** May 2015 – July 2015

*Carpenter*

Carpentry work with a non-union industry leader in framing of large-scale wood framed buildings

**Prospect Foundry** August 2014 – May 2015

*Foundry Lead*

Foundry work with complex cored ductile and gray iron castings utilizing modern casting technologies, engineering expertise to produce high quality complex pressure tight castings

**Pier Foundry & Pattern Shop** July 2012 – August 2014

*Mold Operator – Cope and Drag*

Foundry work with gray iron, ductile iron and austempered ductile iron castings, produce pattern tooling and sample castings, cope and drag

### **EDUCATION AND CERTIFICATIONS**

Century College

Dec. 1998 – Dec. 2000

Certificate – Gas Tungsten Arc/Oxy Welding

Certificate – Metal Inert Gas Welding

Certificate – Shielded Metal Arc Welding
