Work Experience

Distribution Associate

Adams Polishes - Thornton, CO

July 2019 to May 2021

I worked at Adams Polishes warehouse for almost 2 years. I worked in the distribution department where I would pick, pack, and be in charge of creating the shipping labels for each order. I'd be in charge of selecting the best shipping option and then we would send them out to customers and other companies.

Education

High school diploma

Pinnacle High School - Federal Heights, CO

August 2014 to May 2018
