Work Experience

Team Leader

VAUPELL MIDWEST MOLDING AND TOOLING - Constantine, MI

April 2019 to September 2020

I began my work with Vaupell as a Machine Operator and was promoted to the Team Lead position in February of 2020. The work environments included both clean room and regular manufacturing floor operations. I was responsible for coordinating a team of machine operators in the production of injection molded plastics for the medical and defense industries. I was also tasked with maximizing worker efficiency and doing hourly, secondary quality checks for all operated presses in my department. Additional tasks included: calculating scrap-per-hour efficiency checks, calculating labor hours per shift, filing end-of-shift/press status reports to upper management, generally boosting moral among operators through training and assisting them with operating tasks when needed in order to boost overall efficiency.

Machine Operator

PRECISION WIRE FORM - Three Rivers, MI

January 2019 to April 2019

I was responsible for operating machinery which produced products built from steel-wire, performing light maintenance on operated machines and hourly checks on the quality of finished products.

Machine Operator/Assembly Operator

SILGAN DISPENSING SYSTEMS - Grandview, MO

July 2018 to December 2018

I was responsible for assembling injection molded plastics into commercial products for contracted clients in the sanitation industry using a high-efficiency assembler. Responsibilities included high-volume packaging, light machine maintenance and working to keep a certain efficiency percentage throughout the continuity of all shifts.

Customer Service Associate

WALGREENS - Grandview, MO

September 2017 to June 2018

I was responsible for providing a satisfactory customer service experience throughout the store. This included answering customer needs, operating a register, stocking and unloading the stock room in order to provide a high level of customer availability, operating the photography lab and generally walking the sales floor to ensure customer needs were met.

Team Leader

FOCUS WORKFORCE MANAGEMENT - Lenexa, KS

February 2016 to July 2017

I began as a temporary worker, working in several jobs under Focus Workforces. After seven months of temporary employment, the director of the Kansas City area offered me a job as a Team Leader. My responsibilities included managing warehouse temporary workers, human resource management and giving group interviews for eligible employees.

Package Handler/Sorter

UNITED PARCEL SERVICE (UPS) - Lenexa, KS
June 2009 to November 2011

I sorted packages based on their zip code to their corresponding destinations. This would include lifting several packages over 70 lbs. over the course of 5 hours.
