Work History

Overnight Stocker, 09/1998 to 02/2014

Wal-Mart – Lakeside, Co

Stock merchandise to shelf locations on sales floor.

Assisted customers with any questions involving the location of merchandise, and information of products.

Used hand held scanners for the purposes of picking and binning merchandise, as well as locating where merchandise is binned, and finding correct shelf locations of merchandise.

Used a variety of equipment such as pallet jacks, electric pallet jack, walker-stacker, electric stock picker, and scissor lift to move, lift and stage merchandise on sales floor and in proper back room locations.

Used forklift to stack and move pallets and cardboard bales in outside holding area.
