Warehouse Coordinator (Stocker/Floater)

Vance Baldwin Distribution/Encompass - Las Vegas, NV

March 2009 to June 2013

4031 Market Center St. Suite 301 North Las Vegas, Nevada 89083 Contact: Phone:

Warehouse Coordinator (Stocker/Floater)

* As a Stocker- I am responsible for stocking all incoming parts, I created a user friendly system for the parts to be found. I maintain a constant inventory daily to verify any changes.

* Shipping/packing- I verify each order before shipping. I check to make sure expensive packages are going to the proper client, place and address. I maintain my packing skills in a professional manner so there is no damage once the client has received it.

* Picking- I use scan gun scanning tickets to find the parts for shipments. Making sure proper parts are picked, evaluating each part to make sure the part is ok and ready for to shipment.

* Software I use on a daily basis is UPS shipping. FedEx ground, FedEx freight, Pilot, Best Buy National, a.d.s.l. via duct internal system, notepad
