PERSONAL SUMMARY

Thank you for considering my application and resume for review. I am excited to be considered for the position of Order Selector at City Wide Staffing. I do have forklift and electric pallet jack experience as well as general knowledge of how a warehouse should remain safe, and clean to prevent work hazards. I know how important it is to keep company products in the best condition. If I am hired on with your company I will bring a strong work ethic as well as these skills and willingness to continue to learn.
