Work Experience

Yard Laborer

Fabcon Precast - Savage, MN
June 2020 to Present

My job duties are assisting crane operator by using hand signals to land concrete panels on to the trailers and then would have to drive the trailers to the delivery area and would park trailers for the local drivers then would get to get another empty trailer and do it all over again

Lead Warehouse Associate

Sherwin-Williams - Lakeville, MN
August 2018 to June 2020

My job duties would include pulling buckets of paint to start painting orders and I would have to tint the paint and put them in the shaker once they're done I put them in the pallet and wrapped up the bucket and load the truck.
