## Work Experience

---

### **Overnight Stocker**

Walmart - Thornton, CO

April 2023 to December 2023

Was an overnight grocery stocker

### **Grocery Clerk**

King Soopers - Thornton, CO

April 2016 to April 2023

Overnight stocker, was also promoted to a management position

### **Production Worker/Quality Inspector**

Atlas Roofing - Northglenn, CO

January 1991 to June 1996

This was one of my first major jobs that I worked for, I started out on the production line, got promoted to quality control technician, received most of my computer training at this job, learned computer programming, I also learned from my supervisor on how to calculate formulas on the computer, also as a QC technician I was required to take line samples on every run, I also received my forklift certification here at this job.
