

CHARLES H. HUBBARD

4490 Granger Dr. • Wellington, CO, 80549 • 970.222.6831 • chuck72mtngoer@live.com

Thorough attention to detail, quick to learn skills specific to the position, strong problem-solving skills, accurate documentation of data, highly organized, and effective communication skills. Extensive experience with microscopes and measuring tools, ability to tear down and rebuild auto engines and transmissions, and ability to read engineered drawings.

RELEVANT EXPERIENCE

Machinist – Woodward Inc., Ft. Collins, CO

2015-

2020

- Performed set-ups for product order changes 4-5 times per shift
- Operated a variety of CNC machines 8-10 hours per day making industrial and aerospace equipment
- Processed and finalized 8-10 inspections using various measuring tools per shift
- Inspected and replaced machining tools when needed to keep parts within tolerances
- Performed necessary deburring of machined parts throughout a shift
- Followed all safety and 5S cleanliness protocols

Machinist – Spidertrax, Loveland, CO

2013-2015

- Machining of high-performance off-road racing parts on CNC mills and lathes
- Set up, adjusted, and operated basic or specialized machine tools used to perform precision machining operations
- Monitor the feed and speed of machines during the machining process
- Kept maintenance up to date on machines
- Inspected machines using all required precision tools

Set-up Technician – Accellent Inc., Arvada, CO

2008-2012

- Measured, examined, and tested completed units to check for defects and ensure conformance to specifications, using precision instruments
- Manufactured medical parts to specified dimensions
- Performed in-process machine adjustments
- Maintained area production goals
- Supervised and trained new hires on technical CNC machines
- Compiled accurate documentation of product measurements

- Experience with plant-wide inspection equipment

Automotive Technician – Hajek Chevrolet, Longmont, CO
2007-2008

2007-

- Performed maintenance and repairs on customer vehicles
- GM certified used car inspections
- Completed GM product training

EDUCATION

Denver Automotive & Diesel College – Associates of Applied Science in Automotive Technology

MILITARY

United States Navy – USS Kitty Hawk – 1992-1995
