ASSOCIATES IN APPLIED SCIENCE DEGREE, PUEBLO COMMUNITY COLLEGE

MAY 1992

DIPLOMA, CANON CITY HIGH SCHOOL

SKILLS

- leadership
- management
- programming
- problem solving
- set up of multiple axis

Enthusiastic at what I do. Love working with my hands whether at work or restoring cars. Good at problem solving the issues at hand. Like to be powerlifting and boxing as well in my spare time. My three kids are my world love to go and do things with them, it is an adventure every other weekend.
