Experience

Material Handler

Intertech plastics

December 2017 to February 2018 (1 Months)

Duties where to keep machine production materials at the ready at all times. Leader in plastic production . Forklift operation is how things are moved . Small warehouse so safety is first and foremost .

Machine Operator , Trailer Loader

Coca cola

June 2014 to April 2016 (1 Years, 9 Months)

As machine operator it was very important to keep up with the dispensing of soda pop into the sewage system , i was incharge of adding what is called Acoustic to the Product to neutralize apon release. Very high cost in fines if not done correctly. OSHA fines. As a trailer loader it was very important to load to specifications at all times , do to uncertainty of travel for delivery. I have a very good resume i could bring to a possible interview. And yes i'm a Veteran as well Sir or Mam. Please consider an opportunity for us to meet . Thank you Charles E Turner.

Education

Ft Sam Houston Medical Scool

Certifucation, 1990

After completion of training was sent to Jump school in Ft Benning Atlanta Georgia. Then to the Gulf War .
