Homer Glen, IL 60491

EDUCATION

Northeastern University, Boston MA   **August 2012**
Bachelor of Science degree in Behavioral Neuroscience
Relevant courses: Functional Human Neuroanatomy, Psychopharmacology, Biology Capstone, Psychobiology Lab, Behavioral Endocrinology, Genetics and Molecular Biology, Regulatory Cell Biology, Clinical Neuroscience, Seminar in Psychobiology, Organic Chemistry 1+2, Statistics, and Calculus 1+2
Activities: Public relations officer of Neurons and a member of Italian club
Certificates: EMT-B

SPECIAL SKILLS

Laboratory skills: GMP, GLP, pipetting, chromatography, distillations, preparing buffers and reagents, filtering techniques, gel electrophoresis, ELISA, and UV spectroscopy
Computer skills: Microsoft Word, Excel, Power point, and Unicorn Software
Chromatography: Size-exclusion, Weak cation exchange, and Hydrophobic interaction
Laboratory Equipment: HPLCs, AKTA explorer, and AKTA pilot

PROFESSIONAL EXPERIENCE

Abbott Laboratories, Worcester MA   **July 2009- December 2009**
Laboratory Technician in purification of manufacturing sciences   **June 2011- December 2011**
- Efficiently ran HPLCs for data collection
- Presided over giving cell culture data results
- Prepared buffers and reagents for myself and the lab
- Worked on column packing and maintenance
- Completed tangential flow filtration studies
- Performed analytical assays for data collection
- Operated pilot scale chromatography
- Ran AKTA explorers for daily experiments
- Helped with ELISA's throughout general projects

CVS pharmacy, Lemont IL   **August 2006- January 2007**
Customer Care Representative   **May 2008- August 2008**
- Safely handled and manipulated chemicals in the photography machines
- Effectively followed safety procedures while utilizing chemicals and machinery
- Coordinated customer service and film processing
