Made pizzas at the local ski area, heavy interaction with the customers and other kitchen staff.

Roustabout Foreman

All Around Roustabout - Greeley, CO
June 2014 to December 2015

Performed work assigned as a roustabout, then roustabout foreman in the oil and gas industry. Everything and anything associated with oil rig work, except the work performed by the rig hands did themselves. Basically serviced the rigs when they moved, built and set up rig liners and containments, moved the drilling mud components, heavy equipment operator, delegated assignments to my crews, completed daily JSA's and reported production to Supervisor/Operations Manager.

Roustabout Foreman

CDI Environmental Services - Greeley, CO
October 2013 to June 2014

970-330-9212

Installation and breakdown of under rig and equipment liners at oil rig sites, erosion control and reclamation at rig sites as well as other projects requiring those services. Erosion control side of projects included silt fence installation, setting erosion control blankets and logs, trenching, spraying seed, building containment structures, etc. Supervised crew of roustabouts performing services and delegated duties, daily JSA's, heavy equipment operator.

Supervisor

Xerox Commercial Services, LLC - Greeley, CO
July 2012 to October 2013

970-978-2854

Supervised team of customer service agents at inbound call center that worked with a Medicare Part D Prescription drug plan provider. Involved extensive knowledge of Medicare Part D policies and insurance coverage procedures. Aided and assisted in career development for agents and gave direction to their

day-to-day tasks, monitored production quality, directly managed and monitored all aspects of call center activity.

Field Engineer III

TIC The Industrial Company - Centennial, CO
January 2007 to November 2008

303-325-3780

Large industrial power project construction. Responsibilities included material takeoffs, design drawing review, procurement of civil & structural materials, discipline scheduling with Primavera software, monthly production forecasting, monitor and input of productivity in SAP ERP, reported to Sr. Project Engineer, Cost Control & Project Managers. Subcontractor coordinator, interaction/supervision of/with construction crews, foremen, general foremen, and all discipline superintendents on daily basis. I had positive influence in all aspects of day to day project management and was part of an award winning team at the Calaveras Power Project, (JV with Zachary and Black&Veatch) in San Antonio, TX.

Certified Nurse Aide

Laramie Care Center - Laramie, WY
August 2000 to March 2003

307-742-3728

Provided intimate, hands-on healthcare to residents in long-term care setting, assisted them with activities of daily living. Reported status of residents to Charge Nurse at end of each shift worked.

Operations Manager

Alpine Lumber - Steamboat Springs, CO
January 1997 to February 2000

970-879-5000

Responsible for management of yard crew and delivery driver crew at lumber supply company. Worked my way up from forklift driver/yard crew in 1 year. Truck and forklift maintenance and management, contractor negotiations, delivery scheduling, purchase order invoicing and logging of all incoming supplies for the yard aspect of the business. Customer service, employee relations, and general managerial responsibilities.

Education

Some College in Civil Engineering

University of Wyoming - Laramie, WY
June 2000 to December 2006
