Reliable, highly self-motivated, ready to learn and work. I possess a Colorado MED employee Badge Denver Merchant Guards license. I am a certified forklift driver with experience in garage door installation and opener wiring, framing, warehouse management, general warehouse duties, inventory control, and shipping and receiving landscaping delivery/pickup's and some experience with sales. Although I have exceptional team working skills, I also pride myself on my ability to work independently ambition and organization skills drive my excellence in performance and customer service.
