## Work Experience

---

### **Production Worker**

UNITED STATES GYPSUM - Denver, CO

May 2022 to Present

At usg I worked multiple positions, I worked as a line operator, I would also mix the necessary products in order to make the mud for the drywalls, I would also run the shipping and receiving which included loading/unloading flat beds and box trucks. At USG I got my forklift certification as well

### **Quality Control Specialist**

Coverwell - Arvada, CO

February 2019 to March 2020

Quality control was my main position at coverwell. My job was to measure the window well orders to make sure everything was correct and look for defects before they started being assembled. Once assembled I would check the window well again to make sure there were no added scratches or scuffs during the building process. Once approved I would place the window wells in the completed shelf to be sent out.

### **Package Handler/Sorter**

UPS - Commerce City, CO

March 2018 to February 2019

At ups I was considered a package handler, my job was to unload trucks that came in and make sure there were no damaged boxes before they got sent up to the sorters.
