## Professional Summary

---

My name is Christian I'm 24 and I recently became a job of 2 and I want to have a more steady and consistent job to provide for them and looking to learn something new. Went through a family death that impacted me and changed a lot from it since I lost a lot in the process

Authorized to work in the US for any employer

## Work Experience

---

### **Handy man**

I work for myself.-Denver, CO

January 2024 to Present

After the whole ordeal I went through with my family I came back and started taking up mechanic jobs mainly everything from engine swaps, basic maintenance and more but have gone to help many family members in lots of jobs from

Dishwasher

Granite polisher and installer

Remove trash lots of little jobs. But I wanted something more constant

### **Mechanic**

Tesla-Denver, CO

December 2021 to December 2023

Loved this job I come from a family of mechanics and this set me apart since I was working on electric vehicles

did suspension work

Battery changes

Reprogramming

Soldering

Body panel aligning

I lost the opportunity after a family member dies and I left to go help in Mexico but was an amazing job

### **Cashier/Customer Service**

Family Dollar-Denver, CO

January 2020 to November 2021

After leaving my landscaping job I wanted something easy and close to my house so I got this job

I was a cashier so I had to deal with a lot of interesting people which helped learn how to communicate and deal with people. It was an easy job left because I wanted a better opportunity and pay

### **Labor/crew lead**

Express concrete and landscaping-Denver, CO

May 2016 to September 2019

This was a family friend job that I got and had all three high school I started from the very bottom in this job At first all I did was

Clean after the job was done

Bring everyone the tools

Did the labor basic jobs

Dig trenches

Remove rock,dirt, grass and more

But since I was the only one that knew English the boss started teaching me how to do estimates and what to look for and how to manage people after like a year he gave me my own crew were we did everything from

Remove and throw concrete

Remove and install grass

Fire pits

Put new plants and trees

Remove trash

fences

I learned everything from how to drive with trailer to how to deal and boss older people how might not respect you at first

But my boss died and company went under

## Education

---

### **High school diploma or GED**

Excel Academy

## Skills

---

- Bilingual (10+ years)

## Certifications and Licenses

---

### **Driver's License**
