

**Christopher Amato | Westminster, CO**  
**camato38@gmail.com**

## **PROFESSIONAL SUMMARY**

Results-driven CNC Team Leader with hands-on expertise in CNC machining, press brake operations, and team leadership. Proven ability to streamline workflows, enforce quality standards, and collaborate cross-functionally to meet aggressive production goals.

## **EXPERIENCE**

### **Kratos Industries LLC – Arvada, CO**

Press Brake Lead | Nov 2024 – Jan 2026

- Led high-priority press brake operations while meeting tight deadlines
- Improved production flow through cross-department coordination
- Maintained strict quality control and reduced rework
- Partnered with engineering to resolve production issues

### **Crusoe Industries – Arvada, CO**

CNC Team Lead | Oct 2022 – Oct 2024

- Supervised CNC machining operations and safety compliance
- Trained operators on setup, programming, and maintenance
- Implemented process improvements reducing downtime
- Supported engineering in process optimization

## **EDUCATION**

### **Lincoln College of Technology – Denver, CO**

Welding & Metal Fabrication Technology | Oct 2022

## **CERTIFICATIONS**

AWS D1.6 GTAW 3G | AWS D1.1 FCAW 3G (Unlimited Thickness) | OSHA 10 | Forklift

## **TECHNICAL SKILLS**

**CNC/Press Brakes:** Salvagnini P2/P4 Panel Bender, Accurpress, Amada, Amada ATC press brakes, CNC Copper Punching/Forming

**Fabrication:** SMAW, GMAW, FCAW, plasma, oxy-acetylene, CNC laser & punch, PEM, spot welding

**Leadership:** Team supervision, workflow optimization, quality assurance
