Profile: Hard working individual seeking employment where I contribute to an organization while growing my skills. I have 6 years of warehouse/forklift experiences and understand the basic qualities of warehouse procedure.

WORK EXPERIENCE

3/2014-7/2015 and 2/2016-12/2018

Forklift operations/order picker

Randstad

Coca-cola

- -My job duties was to pick from a list of orders to load onto the truck on an electric pallet jack.
- -The orders had to be loaded within a certain time before the dock got backed up
- - The orders also had to be properly wrapped and labeled.
- -My accomplishments at coke consists of keeping a consistent pace of 220 cases an hour. (The average being 200)

Newell Rubbermaid

- At Newell Rubbermaid my job was to ride a cherry picker around the warehouse and order pick from locations.
- My job required me to be at least 20-30 ft in the air.
- This includes orders over 200+ cases.

Procter and Gamble

FedEx/DHL

- For each company I operated a reach truck forklift doing multiple operations.
- These operations including replenishments, staging pallets for outbound shipments.
- Also doing indirect case picking which consists of me case picking orders that are out of stock, that consists of replenishing locations to finish previous orders.
- Another responsibility that i had was to be sure the labels to each order was able to be read and scanned.

10/2012 - 10/2013
Salad Bar Attendant
Marietta, GA

Compass Group (Chartwell),

- Responsible for replacing and restocking items on salad bar at appropriate time.
- Make sure safety and sanitation guidelines are followed so that students get fresh products
- Clean all stations, equipment, floors and shelves.

Dishwasher

- Responsible for cleaning all dishes, utensils, pots, pans and various other food preparation items.
- Responsible for operating dishwasher and checking temperature to make changes as needed.
- Remove trash and sweep and mop floors. Helped with preparations for catering events.

Summer of 2010, 2011, 2012

Lead Host/ Ride Operator

Six Flags Over Georgia,

Austell, GA

- It was my job to board passengers on ride.
- Safely operated equipment to start and stop roller coaster.
- As lead operator had to schedule breaks for team members.
- Also keep a log of the number of passengers on each ride cycle.
