Skills

I have 10 plus years of experience in customer service from delivering sign supplies to managing a family restaurant from 1997 to 2002. I have 10 plus years' experience in the warehouse industry, jobs like Mark Williams, which I supplied race car parts for top fuel dragsters and funny cars. I then went to work for Service Auto Glass and there I delivered windshields in the Denver metro area and part of Wyoming, after leaving Service Auto Glass I decided to go a different route and joined Jeffco Public schools for 3 years in the food service and then went back to being a warehouse associate I have good computer skills and willing to learn more when available, on time to work, responsible, team player and most of all RESPECTFUL.
