GED

Boulder county-Boulder, CO

Upper secondary education

Skills

- LOTO
- Renovation project management - Largest number of facility renovation projects managed (1 project)
- Underground utilities installation
- Remodeling
- Industrial maintenance
- Property maintenance
- Handyman
- Vehicle inspections
- Performing regular vehicle safety checks
- Fire safety procedures
- Finished product defect inspection
- Electrical troubleshooting
- Emergency preparedness procedures
- HVAC system maintenance
- Safety regulations
- Chemical handling safety procedures
- Load & Unload
- Food processing
- Building code compliance
- Safety training undergone
- Facilities fire safety systems
- Equipment malfunction troubleshooting
- Equipment maintenance
- Attention to detail
- Facility inspection
- Industrial controls
- Computer literacy
- Automotive electrical systems
- Operations management

- Facilities equipment maintenance - Facilities equipment maintenance experience (3-5 years)
- Industrial maintenance and repair
- Package delivery
- Safety equipment
- Paints
- Wiring and circuitry work
- Landscape Maintenance
- Mechanical troubleshooting
- Plasma cutting
- Order Picking
- Reach truck
- Technical Proficiency
- Lifts and hoists
- Facilities predictive maintenance
- Warehouse experience
- Operations
- Problem-solving
- Time management
- Defect detection (quality control)
- Tenant improvements
- Computer skills
- Hand tools
- Record keeping
- Clean workspace maintenance
- Sawing
- Plumbing fixture repair
- Microsoft Word
- Respiratory protection
- Facilities routine maintenance
- Janitorial experience
- Sewing machine
- Sensors
- Productivity software
- Word processing
- Team management
- Electrical fixture repair
- Working on construction projects
- HACCP
- Groundskeeping
- Paint sprayers

- Preventive maintenance
- Measuring instruments
- Residential building maintenance experience
- Facility safety audits
- Pneumatic systems
- Electrical equipment repair
- Truck repair experience
- Facility system upgrades
- Safety protocol implementation
- Power tools
- Air compressors
- Major facility renovations
- Parking management
- Computer operation
- Continuous improvement
- Math
- DOT (Department of Transportation) regulations
- HVAC system repair
- Customer service
- Plumbing system maintenance and repair
- Lifting
- Machine operation
- Written communication
- Clerical experience
- Facilities maintenance - Facilities maintenance experience (3-5 years)
- Manufacturing company experience
- Service technician experience
- Safety standards in production
- Electrical safety procedures
- Industrial automation
- Cabinet installation
- Box truck
- Facilities on-demand maintenance
- Facilities condition-based maintenance
- Order Picker
- Project management
- Lawn Care
- Human resources
- Precision measuring instruments
- Ohmmeter

- Organizational skills
- Communication skills
- Sewing technician experience
- Customer relationship building
- Building interior maintenance
- Agriculture
- Building exterior maintenance
- Mobile devices
- Managing facilities maintenance teams - Largest facilities maintenance team managed (1-5 team members)
- Machine maintenance
- Confined space entry safety procedures
- CAD software
- Food safety
- Machining equipment
- Construction painting
- Microsoft Office
- Industrial equipment troubleshooting
- Trim Carpentry
- Routine maintenance projects
- Electrical diagnostics
- Heavy lifting
- Welding machines
- Teamwork
- Facility energy management
- Maintenance management
- Facilities autonomous maintenance
- Shop drawings
- Food quality maintenance
- Corrective maintenance operations
- Sewing machine operator experience
- Tenant complaint resolution
- Quality control operations
- Maintenance schedule management
- Industrial equipment repair
- Cargo van operation
- Mechanical knowledge
- Equipment troubleshooting
- Microsoft Excel
- Electrical repair
- Cleaning equipment

- Construction
- Repair estimation
- Equipment testing
- Electrical experience
- Water pump maintenance
- EPA
- Generator repair
- Assembly
- Factory process monitoring
- Outdoor work
- Food safety management
- Tile Laying
- Moving
- Priming
- Project management software
- Forklift
- Drywall
- Soldering
- Automotive Repair
- Maintenance
- Construction Management
- HVAC system installation
- Motor vehicle electrical assembly
- Delivery driver experience
- Operating heavy equipment
- Food production
- Drafting
- Equipment installation
- Facilities emergency maintenance
- Hazardous material handling
- Blueprint Reading
- Industrial equipment
- Manual handling
- QA/QC
- Spray guns (painting, coating and spraying tool)
- Safe work practices
- Quality control
- Electrical systems
- Data entry
- Materials Handling

- Supervising experience
- Calipers
- Door Hanging
- Personal Protective Equipment (PPE)
- Tape measure proficiency
- Schematics
- Mechanical assembly
- Machine guarding
- Managing facilities maintenance budgets - Largest facilities maintenance budget managed (More than \$1M)
- Hydraulics
- GPS
- Regulatory compliance
- Facility maintenance painting
- Ability to follow instructions
- Building systems troubleshooting
- Manufacturing plant facilities maintenance experience
- Warehouse management system
- Solvents (painting, coating and spraying materials)
- Administrative experience
- Facilities life safety systems
- Cleanroom
- Adhering to traffic regulations
- Mechanical systems repair
- Fabrication
- Electrical maintenance
- Maintenance activity documentation
- Electrical systems installation
- Manufacturing
- Carpentry
- Glass Installation
- Team leadership
- Workplace health and safety regulatory compliance
- Multifamily properties
- Low voltage
- Caulking
- Maintenance, repair and operations (MRO)
- Skid steer loader
- Wiring harnesses
- Carpet cleaning
- Climbing

- Welding
- Packaging
- Plumbing
- Blueprint specification interpretation
- Electrical wiring
