Criminal, Traffic, and Infraction Records

For a period of 7 years prior to the date of this report we have searched public records and commercially available data sources for criminal records. The Public Records and commercially available data sources used in this report should not be relied upon as definitively accurate. Data is sometimes entered poorly, processed incorrectly and is generally not free from defects. This report does not eliminate the possibility of additional information contained outside the scope of our search. **WARNING:** Criminal offenders frequently use aliases, including the names of other individuals. Do not assume search results correspond to the subject of your inquiry. Use EXTREME CAUTION in making employment decisions based upon this information. Fingerprint verification is the only way of confirming a subject's identity. [Nationwide Criminal SuperSearch requested \(Click here for more information\).](#)

Minnesota End-Users and Consumers: We are required to inform you that each criminal history record identified in the report was collected as of the "Date Ordered" shown on the report, and also that the information may include criminal records that have been expunged, sealed or otherwise have become inaccessible to the public since that date.
