Work Experience

Warehouse Worker/coordinator

Diversified Transfer & Storage - Aurora, CO

June 2013 to Present

My daily responsibilities included

- unloading inbound trailers checking bill of ladings for accurate piece counts and pallet counts and putting product and proper location either freezer chill dock or dry dock locations
- Assist outside carriers and local drivers with any inbound or outbound freight.
- Loaded outbound trailers making sure the reefers were set and at the correct temperature for loading and shipping product.Made a complete schematic for location of all pallets on the load.
- Dock lead/supervisor 4yrs
- Forklift certified

Dock worker/Driver

HVAC Supply - Denver, CO

April 2012 to November 2012

Picked orders for will call customers, picked and loaded orders for other terminals, delivered orders to fort Collins, Colorado springs, eagle, and metro area. Used forklift, and pallet jack to pick orders and receive.

Night Shift Dock Supervisor

Fresh Pack Produce - Denver, CO

March 2010 to January 2012

I supervised the team, checked orders for picker accuracy, amended pick tickets, quality control of outbound product, computer entry for incoming orders, re-routed routes for late orders as well. Supervised the dock to control shorts and miss-loading. Kept the team organized so that each team member may utilize their time wisely and efficiently.

Dock Supervisor/ Night Operations Manager

HVH Transportation - Commerce City, CO

January 2007 to March 2009

Supervised shift of both dock workers and drivers, dispatched drivers. Manifested drivers routes. Coded bills and Maintained departmental records and invoices. Customer service. Managed and minimized damages by at least 50%. Overall, overseen Daily operations of Dock, Dock workers and the Drivers.

Dock Supervisor

Front Range Cartage

June 2000 to December 2006

Started as a dock worker and worked my way up to supervisor. I supervised the crew and the daily operation of unloading, inbound freight, as well as loading outbound freight. I continuously coached and trained my crew to work great individually as well as a team. Ensured that the dock was kept in a clean and safe working environment at all times. Closed the building and made sure that the property was locked up and secure for the night.
