Looking for entry into a company who looks after and cares about the well being of their employees, which in return produces an employee that cares for the company. Room for advancement greatly welcome.

Authorized to work in the US for any employer

## Work Experience

---

### **Delivery Driver**

Lowe's Home Improvement Stores - Fort Collins, CO

February 2013 to Present

Pull orders and load 26' trucks using fork lifts and order pickers. Route deliveries based on the most efficient use of time and fuel. Deliver appliances in to customers houses in a timely fashion, while avoiding damages to product and customers property.

### **Welder Holtec Manufacturing**

Turtle Creek, PA

August 2009 to February 2012

Weld and fabricate heat exchangers and nuclear waste containers to blueprint specifications. Load and unload shipments as needed via forklift and overhead cranes.

### **Welder Wack Manufacturing**

Harmony, PA

May 2008 to August 2009

Weld and fit various projects based on customer specific blue prints. Operate plasma cutter, oxy acetylene torch and band saw to cut product to size.

### **Shipping and receiving clerk**

Pennsylvania Collision Parts LLC - Zelienople, PA

March 2005 to April 2008

Fill orders placed for OEM replacement car parts, and prepare them to be shipped via delivery truck, or secondary shipping company. Responsible for handling and packing orders in excess of 100+ pieces, in a timely and efficient manor. Load and unload trucks via forklift.

### **Lot Attendant Northland Ford**

Zelienople, PA

February 2002 to March 2005

Clean and maintain large fleet of vehicles, and prepare them for delivery when purchased.
