+1 904 616 7380

I have several certifications: Osha-10, logistics, and manufacturing though the University of Purdue. I have extensive experience in any warehouse environment.

Willing to relocate: Anywhere

Authorized to work in the US for any employer

Work Experience

Driver

Big D Construction - Jacksonville, FL

July 2019 to November 2020

I was responsible for delivering products by box truck or flatbed.

Warehouse Associate

Macs Trucking - Las Vegas, NV

February 2015 to August 2018

I operated forklifts, checked quality, palletized, and unloaded trucks. I also read and created manifests.

Manufacturing Associate

TemperPack - Las Vegas, NV

May 2013 to December 2014

Operated machines from feeding to unloading products. Also controlled the actual operations of some machines.
