OBJECTIVE:

To work for a company that will give me the opportunity to use the skills and knowledge that I have gained from my past experiences, as well as obtain more knowledge with the company in an effort to be part of the team to work towards the company's ultimate goal.

WORK HISTORY:

July 2018- November 2018

Boulder Creek Neighborhoods, Erie
Construction Tech/Punch List Tech

Perform walkthroughs with customer in new homes, coordinate schedules to complete trade work on time, work with all levels of administration to ensure schedules are met, use any power tools needed to perform job including miter saws, circular saw, drills, pumps, and many other forms of construction tools. Assisted superintendent with any site duties needed.

**OSHA 10 hour safety course completed

June 2016- July 2018

Self-Employed, Ojai, CA-Denver, CO
Journeyman Painter

Bid job with homeowner and base pay accordingly. Acquire materials as needed to perform the job from prep stage to final cut in. Daily work varied from masking to brushing and rolling walls. Spray jobs for exterior or other work as well. Delt with billing, hiring/firing, and other management duties.

June 2015-April 2016

ASAP Painting, Ventura, CA
Journeyman Painter

Performed interior and exterior paint jobs of many different kinds of applications. Daily tasks would include meeting at the shop and assemble supplies and tools, assessing jobs with the contractor and home owners, perform any prep work required and finish the job. Have performed paint jobs on multiple types of stucco, drywall, concrete, wood, and metal surfaces.

March 2015-June 2015

Perimeter Security Systems, Ventura, CA

Gate Technician/ Laborer

In charge of keeping the shop clean and organized, stocked all trucks with equipment and parts needed for jobs. Worked with technicians either installing new complete gate systems, to repairing and regular service on existing gate systems. As a laborer I was in charge of most of the physical lifting and and other grunt work. Continued to wire up tracker boards and other electronic equipment. Welding and other metal/wood shop experience was required for in the field tasks.

August 2014- March 2015

Elantra Gate Systems, Fairview, TN

Gate Technician/Laboer

Specialized in gate automation as well as access control systems. I was sent off to either install brand new systems or service/update existing systems. We also specialized in access control for commercial buildings such as magnetic locks, keypads, and security cameras. Was required to drive multiple different company vehicles and use many different types of hand/power tools. Welding and other metal/wood shop experience was required.

March 2014- July 2014

Designer Paint Pros, Nashville TN

Painter

Focused mainly on finish interior work. Daily duties included slight drywall patches, floating walls, caulking, sanding and replacing trim. Also performed wood sanding and prepping with wood patching. Performed painting with various different paint types on various types of surfaces. As well as performed staining and waxing on various wood surfaces.

December 2012 – June 2013

Mersen, Oxnard, CA

Welder's Assistant

My general responsibilities included assisting welders with metal grinding, prepping, cleaning for welder's, shop maintenance, forklift operator, shipping and receiving, built crates for shipping customer orders, worked with different types of gases.

To expand, I would receive various duties that would prep different components that were welded onto/into industrial vessel tanks. I would receive pallets full different metals and with have to cut, bevel, shape, or grind out pores so the material is ready to be welded. I would also have to accompany a welder as needed to do any on the spot grinding, argon gas tank changes, using a torch to heat metals,

March 2012 – December 2012

Starbuck's Ventura, CA

Assistant Manager

Supervised staff, responsible for the day to day operations, ordered inventory, supply checks, conference calls, training of new employees, assisted customers, kiosk maintenance, safety committee, cash handling, cashier, certified barista.

November 2011 – March 2012

Vons Ventura, CA

Courtesy Clerk

Bagged groceries, hourly floor sweeps (these were clocked and part of the safety code), collected carts, performed carry outs for customers, customer assistance upon request, maintenance of restrooms, receiving.

June 2011 – August 2011

Merriman Paving and Asphalt Grinding

Ventura, CA

Laborer

Summer job, shoveled asphalt, dirt work, built wooden support structures, parking lot paving, street line painting, road markings, worked in equipment yard, servicing equipment, prepped equipment for towing to safety code.

June 2008 – August

Magic Mountain

Valencia, CA

Host Eduardo's Grill/Papa John's
