

Employees:

Implementation of the Affordable Care Act (ACA) of 2010 (the health care reform law) requires that we send you this notice. The notice describes the new online Health Insurance Marketplace (also called an Exchange), which is available at [www.healthcare.gov](http://www.healthcare.gov) beginning October 1, 2013. The Marketplace describes options you may have available for health insurance (other than employer-based plans) and is designed so you can make easy cost and coverage comparisons. The enclosed notice also includes information about coverage you may be eligible for through Corporate Management Group (CMG).

If you have coverage through Essential StaffCare, please be advised that the Essential StaffCare plan does not meet the criteria to avoid a penalty under the ACA plan requirements for 2014 and beyond.

Starting in 2014, if you do not have medical coverage, you will have to pay a penalty (in the form of a tax). If you do not qualify for coverage through CMG or you do not enroll yourself or a dependent, it is your responsibility to obtain coverage or pay the penalty. This penalty is known as the "individual mandate penalty."

The individual mandate penalty increases each year. In 2014 the penalty is 1% of your household yearly income or \$95 per adult and \$47.50 per child (up to \$285 for a family), whichever is higher. In 2015 the penalty is 2% of your household yearly income or \$325 per adult and \$162.50 per child (up to \$975 for a family), whichever is higher. The penalty for 2016 is 2.5% of your household yearly income or \$695 per adult and \$347.50 per child (up to \$2,085 for a family), whichever is higher. **If you chose to pay the penalty you will not get any health insurance coverage and will be 100% responsible for the cost of your medical care.**

If you are considered to be low income, Medicaid could be a viable option. Some states will also be expanding the eligibility rule and income requirements to qualify for Medicaid. To determine if the state where you live is expanding Medicaid coverage and to learn about Medicaid, please visit <https://www.healthcare.gov/do-i-qualify-for-medicaid>.

Please remember that open enrollment in the Marketplace begins on **October 1, 2013** and ends on March 31, 2014. After open enrollment ends you will not be able to get health coverage through Marketplace until the **next annual enrollment period**, unless you have a qualifying life event.

Thank you,

# New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved  
OMB No. 1210-0149  
(expires 11-30-2013)

## PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace.

### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

### Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.<sup>1</sup>

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution—as well as your employee contribution to employer-offered coverage—is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

### How Can I Get More Information?

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](http://HealthCare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

<sup>1</sup> An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

## PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.
